

2010 Annual Report of the Connecticut Town Clerk Retiree Committee

This year there has been a change in chairmanship.

Norwalk Town Clerk Andy Garfunkel has been appointed chair to replace the retiring East Haven Town Clerk, Lisa Leary

There are also now two vacancies on the committee.

An announcement to all CTCA county VP's, was sent out in mid January requesting information about retiring Town Clerks. This year we have eight clerks that have earned retiree recognition and the following is the confirmed list of clerks and towns served, as submitted by the aforementioned County VP's;

Gretchen Bickford	South Windsor
Karen Gaudreau	East Windsor
Betty Hilbrecht	Hartland
Alan Jepson	Milford
Lisa Leary	East Haven
Anne Moses	Norfolk
Nancy O'Connor	Scotland
Barbara Tarbox	Groton

Retirees will be invited to attend the spring conference luncheon in Waterbury on April 22, 2010 at which they will be introduced and/or honored.

Each clerk will receive a customized framed painting commemorating their accomplishments as a gift from the CTCA. As in past years, artist Marveta Foutch of Searcy, Arizona will create a 5x7 original oil painting of a mailbox and put the retirees name on them. They are of a mailbox, with trees, flowers, grass etc. Each is framed with a nice frame and they have a linen liner. On the back is a number and it is registered. The cost per painting is \$25.00 plus shipping.

Respectfully submitted,

Andrew S. Garfunkel CCTC
Norwalk Town Clerk
CTCA Retiree Chairman
