

Technology Committee 2010 Annual Report

The primary goal of the Technology Committee is to assist in upgrading the skills of Town Clerks by providing and encouraging opportunities to utilize technology in their offices and to inform Town Clerks about software programs and existing and future technologies.

- Continue discussions with various State agencies regarding converting forms to electronic format.

Future Goals

- To assist the Town Clerks Association regarding technology and requirements necessary for electronic recording and changes in technology impacting their offices.
- Review the possibility of paid advertising for the Town Clerk's website.

Respectfully submitted,

Therese Pac, Chairperson and Bristol Town Clerk
Kim Garvis, Durham Town Clerk (Co-Chair)
Agnes Pier, Windsor Town Clerk
Betsy Brown, Fairfield Town Clerk
Tanya Lane, Newington Town Clerk
Donna Loglisci, Stamford Town Clerk
Sandi Wieleba, East Haddam Town Clerk
